Also...
Didn't the school want a serious teacher ?

A "serious teacher" actually has sex with a guy after coming home
If people find this out then you are going to be known all over the school
AKIRA!!!
That's right, Tsunagu
Hmph!
You are so dirty yet you can still have such a happy life at school...

Five million

This much money... How can I have this much?
You don't have to give it all to me in cash
Are you?
You are not going to do illegal things
Hmph!
If you don't have the money then don't get angry at me
I don't want to!!
Go quit your job as a teacher Do something else

You rarely defy me
Tsunagu

You can introduce me to two or three of your cute students
Then

Why do you !!

I can sell them for a high price

I understand it very well...
...I understand...
If I don't think of a way, I don't know what kind of things Akira will do
I will think of a way...
No matter what kind of stuff I do.. you will not be in trouble.
I'll be responsible for my actions
!
Akira is this kind of man...
So please Don't do any illegal things
Akira

Idiot!
I'm just kidding
Don't take it seriously
You like...

...Ah

Excuse me.
Sensei these are the student s reports
Are you feeling tired these days?
Ah

Sensei

"This has nothing to do with you!"
Coming to this old crappy school having a student who admires me.
Giving up the job I liked
I didn't acknowledge the student's kindness to wards me
I'm not fit to be a teacher...
Tomorrow I have to apologize to Aotsuki.

Because things can't go on like this
It's the same for both of us
We'll decide what to do
After we talk this over
That's right I will go to Akira's place right now
